

# EnergyNotes

FOR YOUR BUSINESS

## Working with you to keep your bills low

With all the new technology that keeps us connected and your business running, we're using energy in more ways than ever. It's good to know that, at FPL, we're using smart technology and working more efficiently to bring the cost of that energy down for you. In fact, the price you pay for your electricity from FPL is **lower today than it was 10 years ago**.

For customers like Roger Dean Stadium in Jupiter, Fla., lower electric rates help them remain affordable, so families can come together and enjoy America's Pastime - baseball.

See how we've partnered with Roger Dean Stadium to help them keep costs down.

## We're keeping business rates low

Small business bill comparison\*

**National Average**

**\$201.34**

**Florida Average**

**\$186.24**

**FPL Bill**

**\$147.27**

\* Based on typical total bill of 1,500-kWh GS-1 rate class, representing a majority of FPL business customers.  
FPL bill amount is effective January 2016 and reflects rates and charges approved by the Florida Public Service Commission.  
Florida average is as of October 2015 and national is as of July 2015. Learn more: [FPL.com/lowbusinessbill](http://FPL.com/lowbusinessbill)

For more information about your bill or to view available business rate options that might be more economical for your business, visit: **» [FPL.com/TOU](https://www.fpl.com/TOU)**

This edition of Energy Notes includes information about your monthly bill, including an overview of the charges for your electricity and programs we offer to help you make your bill even lower. You can always get the latest information about your bill online, including how to read your statement and an explanation of all the bill components. » [FPL.com/rates](http://FPL.com/rates)

## BUSINESS RATE CLASS

|  |                 |            |         |         |        |        |       |       |       |       |        |        |       |       |       |       |

# Summary of service charges

| Type of Service Charge   | Charge  |   |
|--|---|---|
| <b>Service connection</b><br>To transfer, open or reopen an existing account | \$14.88   |   |
| <b>Reconnection</b><br>Reconnect service following non-payment               | \$17.66   |   |
| <b>Late payment</b><br>For payments received after the due date              | Greater of \$5 or 1.5% applied to any past-due unpaid balance of accounts |   |
| <b>Return payment</b><br>Charge for a check returned by the bank             | \$25 if \$50 or less<br>\$40 if \$300.01 – \$800                          | \$30 if \$50.01 – \$300<br>5% if greater than \$800 |
| <b>Field collection</b><br>For payment collection on a delinquent account    | \$5.11  |   |

## Gross receipts tax

FPL pays 2.5 percent of gross electric revenues to the state in the form of a gross receipts tax. This tax appears as a separate line item on your bill.

## Resale of electric service prohibited

The Florida Administrative Code prohibits the resale of electricity for a profit. The actual cost of electricity billed by FPL may be reasonably allocated among tenants, lessees and other entities as long as no profit is made.

## Learn about deposits

Since all customers are billed for electricity after it's used, we may ask those opening new accounts to pay a deposit amount based on the expected average cost of two months of service at the address. If your average usage turns out to be higher than the estimated cost, we may ask you to pay the difference to bring the deposit to the required level.

For deposits held more than six months, you will earn two percent interest from the time the deposit is paid in full, and three percent interest for a deposit held 23 continuous months after 12 months of prompt payment. This interest is credited to your account annually. For customers with a good payment history, we may refund your deposit after 36 months. Learn more about refunds and other deposit information, including accepted payment options:
